## How to Schedule Your *Exam:*

- 1 Call the Eastern Colorado Community Care line at 720-857-5988 and hit option 1 to schedule your eye appointment with Springs Dry Eye Center or Veterans Optometry Partners of America (same company).
- 2 The VA nurse will create an authorization letter and send it to Tri-West who will in turn call you to set up the exam(this process can take a week or two).
- 3 When Tri-West calls you and asks where you want to be seen tell them Springs Dry Eye Center or Veterans Optometry Partners of America (same place). They will then call us to confirm information and time.
- 4 You will get a confirmation from Tri-West of your date and time. After that we will see you on your appointment date! Tri-West will mail you a confirmation letter that you are welcome to bring with you at time of your appointment.

Call us with any questions or issues you run into with the VA or Tri-West.
